

MerriMutts Inn

Awaits your arrival and welcomes you to our brand new dog-in-mind designed facility.

What to bring:

Your dogs most current vaccination records.

Any special toys, chewies, treats and bedding to make your dog feel as comfortable as possible. However, MerriMutts is not responsible for lost or damaged items. All guests are provided with a raised bed and/or fleece bedding. We find it very helpful if belongings are marked with your pet's name. (please use a permanent marker).

Your pets food. We suggest that you bring your own food. Keep in mind a change in diet can cause stomach upset during your pet's stay. PLEASE bring your food in a sealed waterproof container or plastic bags (no glass please), marked with your pet's name and feeding instructions.

If you choose not to bring your own food, we will provide your pet with a high quality adult dog food for an additional \$2 per day per pet or Canidae for an additional \$3 per day per pet.

Medications (if any) Medications will be given according to your instructions at check-in. Depending on the amount and type of medication(s), a nominal charge may be added to your bill. Other special needs are met whenever possible.
